SIGNATURE PROXY AGREEMENT

_____ (“Customer”) hereby authorized United Petroleum Equipment to sign on behalf of Customer as Generator on any and all manifests, shipping documents, profile sheets, or other documents necessary to perform the contracted services in connection with the cleaning of the fuel tank at their facilities. This authorization shall expire on the date of disposal.

Neither the granting of this authorization nor United Petroleum Equipments signature on behalf of Customer shall be construed as United Petroleum Equipments acceptance of generator status or other liability on behalf of Customer and Customer shall hold United Petroleum Equipment harmless and indemnify United Petroleum Equipment for any and all liability, damages, or costs United Petroleum Equipment may incur as a result of or arising out of United Petroleum Equipments exercise of this grant of authority.
