RE: Fire Pager Bid

We sent out three bid requests for 40 fire pagers, 40 amplified chargers and 40 antennas. These pagers are to replace our current pagers that are over 15 years old. We received two bids back however one bid was rejected for not being on time. The lone acceptable bid was received from Comsource Incorporated.

Bid: Comsource Incorporated: \$19,700.00

We have checked the background of Comsource Incorporated and find them to be very reputable. We recommend that the bid be awarded to Comsource Incorporated in the amount of \$19,700.
