

RESOLUTION NO. 2015-25

**A RESOLUTION TO AUTHORIZE THE PURCHASE AND SERVICES FROM
LEXISNEXIS RELATED TO ECITATION SOFTWARE AND CDW-G FOR
RELATED HARDWARE**

WHEREAS, in order to keep up with the changing methods and times, it is necessary to simplify the process by which we issue and maintain traffic citations; and

WHEREAS, there is a need to be compatible with our partnering entities; The State of Michigan, 56th District Court, Eaton County Prosecutor and the Eaton County Sheriff's Office; and

WHEREAS, this purchase will allow us to increase officer safety, as well as document and transmit citations electronically to Records Management systems used within our City and County; and

WHEREAS, LexisNexis is the provider for above listed entities, has submitted a proposal in the amount of \$4,690.50 to supply our agency with the software and support needed to meet the Court and State of Michigan specifications. As well as Hardware in the form of the Brother 4030 printer and accessories from CDW-G in the amount of \$2695.05.

THEREFORE, BE IT RESOLVED that the City enter into a purchase agreement with LexisNexis to provide the specified services and software;

BE IT FURTHER RESOLVED that the City enter into a purchase agreement with CDW-G to provide the printers for the Police Department.

CHARLOTTE POLICE DEPARTMENT

MEMO

To: Mayor Lewis and City Council

Re: eCitation Hardware Question on Resolution No. 2015-25

In response to Councilwoman Ridge's inquiry on the purchase of the in-car printers for the eCitation project, I was able to confirm the following information; the Brother 4030 printers quoted in our invoice come complete with all the options needed for our in-car set up, no other accessories would be needed for \$581.00. Additionally, this unit is smaller than the one Eaton County uses in their vehicles (Brother PJ622) and would not require a completely new arm-rest unit for each car (an additional expense of \$200.00 per car). In looking at the CDW-G purchase site, the Brother 4030 printer is less expensive and is quoted at \$539.01 including the addition of the accessories needed. This is a difference of \$41.99 for each unit and total of \$209.95 overall.

All of our patrol cars have console and long-gun set ups on the interior that prohibit the configuration needed for the Brother PJ622. I have negotiated with the provider, LexisNexis and they will support and maintain our service for these units purchased through CDW-G as if we had purchased through them. At this time I would ask for the purchase to be approved as recommended in amended Resolution 2015-25 attached.
