Comment: Charlotte City Council,

I was very disappointed in the City Council's vote to not extend the contract of our City Manager Greg Guetschow. the extension would have provided sufficient time to negotiate a fair contract for his position.

Mr. Guetschow has been an active community member as well as an effective City Manager. He should be retained in that position and he deserves a fair employment contract.

I will not be able to attend the Monday evenings work session on December 21 due to prior commitments. I ask our City Council members to negotiate a fair and realistic contract for Mr. Guetschow
