

# City of CHARLOTTE

## MEMORANDUM

TO: Mayor Lewis and City Council Members

FROM: Gregg Guetschow, City Manager

SUBJECT: City Manager's Report

DATE: April 8, 2016

**Water Main Break.** Elsewhere in the agenda packet is a notification from DPW Director Amy Gilson regarding an emergency excavating contract related to a water main break along Lansing Road near the Rally's restaurant. It was originally thought that it would be necessary to temporarily discontinue water service to some businesses in that area while repairs were undertaken. Instead, crews were able to install a valve to isolate the damaged section of main. The water main was found at a depth of about 15 feet. Repairs were completed on Thursday with chlorination and testing to follow next week.

**2016 Street Program.** A pre-construction conference was held this week regarding the Sheldon Street project. Work is expected to commence in late May. The pre-construction conference for the second street contract Council authorized has not yet been scheduled.

**Budget.** Your agenda includes a resolution concerning dates for various matters related to the budget. As reported during the previous Council meeting, the proposed budget for the fiscal year that commences July 1 will be added to the City's website Monday. If you would like a printed copy of the budget, please contact Finance Director Christine Mossner.
