

Memo

To: City Council
From: Bryan Myrkle, Community Development Director
Date: February 9, 2018
Re: RV Parking ordinance revision

On your agenda for Monday evening is a first reading of the proposed revision to the RV parking regulations. I have added language to address the issue regarding accessory building height, as requested by the Council.

The proposed changes were reviewed by Tom Hitch, who also integrated them with the balance of the ordinance.

Please note that the public hearing for this ordinance revision will be conducted by the City of Charlotte Planning Commission.
