

# Memo

**To:** Planning Commission

**From:** Bryan Myrkle, Community Development Director

**Date:** August 2, 2019

**Re:** Sign Ordinance Discussion

---

While there are no site plans or other similar business for the Planning Commission to undertake this month, we would like to continue our review of the proposed re-write of the City of Charlotte sign ordinance to keep that process moving forward.

Please bring your copy of this ordinance proposal to the meeting. I will have extra copies if you do not have yours any longer.
