State Equalized Value is the Assessed Value multiplied by the Equalized Factor, if any. State Equalized Value must approximate 50% of the market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2018, your 2019 Taxable Value will be the same as your 2019 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2018, your 2019 Taxable Value is calculated by multiplying your 2018 Taxable Value by 1.024 (Inflation Rate Multiplier for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2019 Taxable Value cannot be higher than your 2019 State Equalized Value.

(f) To pay monthly in addition to the monthly payment hereinbefore stipulated, the sum of - - - - (\$- - - -) dollars, which is an estimate of the monthly cost of taxes, special assessments, and insurance premiums for the land, which shall be credited by Seller on the unpaid principal balance owing on the contract. If Purchaser is not in default under the terms of this contract, Seller shall pay for Purchaser's account the taxes, special assessments and insurance premiums mentioned in Paragraph 2(e) above when due and before any penalty attaches, and submit receipts therefor to Purchaser upon demand. The amounts so paid shall be added to the principal balance of this contract. The amount of the estimated monthly payment, under this paragraph, may be adjusted from time to time so that the amount received shall approximate the total sum required annually for taxes, special assessments and insurance. This adjustment shall be made on demand of either of the parties and any deficiencies shall be paid by Purchaser upon Seller's demand.

Acceptance of
Title and
Premises

(g) That he has examined a title insurance commitment/policy dated June 27, 2014 an abstract of title certified to covering the land, and is satisfied with the marketability of title shown thereby. Delivery of such commitment or an owner's title policy issued pursuant to such commitment, or an abstract, to Purchaser shall constitute fulfillment of Seller's agreement to furnish title evidence herein contained.

(h) That he has examined the land and is satisfied with the physical condition of any structure thereon, and hereby waives any and all claims on account of any encroachments on the land or any premises adjacent thereto.

Mortgage
by Seller

3. Seller and Purchase Mutually Agree:

(a) That Seller may at any time encumber the land by mortgage or mortgages to secure not more than the balance owing hereon at the time such mortgage or mortgages are executed, which mortgage or mortgages shall provide for payments of principal and/or interest not in excess of nor sooner than those provided for in this contract, and shall be a first lien upon the land superior to the right of Purchaser therein; provided notice of the execution of such mortgage or mortgages containing the name and address of the mortgagee or his agent, the amount of such mortgage or mortgages and the rate of interest and maturity of the principal and interest shall be sent to Purchaser by certified mail promptly after execution thereof. Purchaser shall, on demand of the Seller, execute any instruments that may be required for the exercise of the foregoing power. If Purchaser shall refuse to execute any such instruments demanded by Seller or to accept such certified mail, or such certified mail shall be returned unclaimed, then Seller may post such notice in two conspicuous places on the land, and make affidavit of such facts and of such posting, after which Purchaser's rights shall be subordinated to such mortgage or mortgages as hereinbefore provided. The consent obtained, or subordination effected as herein provided, under or by virtue

of the foregoing power, shall extend to any and all renewals, extensions or amendments of such mortgage or mortgages after Seller has given notice thereof to Purchaser in like manner as is herein provided for giving notice of the execution of such mortgage or mortgages, except as to amendment which would increase the mortgage amount to one in excess of that owing hereon, or provide for a rate of interest in excess of that provided or a maturity date sooner than provided herein.

Encumbrances
on Seller's
Title

(b) That if the title of Seller is evidenced by land contract or now or hereafter encumbered by mortgage, Seller shall meet the payments of principal and interest thereon as they mature and produce evidence thereof to Purchaser on demand. On Seller's default Purchaser may pay the same, which payments shall be credited on the sums matured or first maturing hereon with interest at 3.22 % per annum on payments so made. If proceedings are commenced to recover possession of the land or to enforce the payment of such contract or mortgage, because of Seller's default, Purchaser may at any time thereafter while such proceedings are pending encumber the land by mortgage securing such sums as can be obtained upon such terms as may be required and with the proceeds pay and discharge such mortgage or purchase money lien, and any mortgage so given shall be a first lien upon the land superior to the rights of Seller therein. Thereafter Purchaser shall pay the principal and interest on such mortgage so given as they mature, which payments shall be credited on the sums matured or first maturing hereon. When the amount owing hereon is reduced to that owing upon such contract or mortgage or upon any mortgage executed under either of the powers contained in this contract, a conveyance shall be made in the form above provided with a covenant by the grantee to assume and pay the same.

Non-payment
of Taxes or
Insurance

(c) That if default is made by Purchaser in the payment of any tax or special assessment or insurance premiums or in the delivery of insurance as above provided, Seller may pay such tax, special assessments or premiums or procure such insurance and pay the premiums therefore, and any amount so paid shall be a further lien on the land payable by Purchaser to Seller forthwith with interest at 3.22 % per annum. This provision shall be effective only if Paragraph 2(e) applies.

Disposition
of Insurance
Proceeds

(d) That during the existence of this contract, any proceeds received from a hazard insurance policy covering the land shall first be used to repair the damage and restore the property, with the balance of such proceeds, if any, being distributed to Seller and Purchaser, as their interests may appear.

Assignment
by Purchaser

(e) That no assignment or conveyance by Purchaser shall create any liability whatsoever against Seller until a duplicate thereof duly witnessed and acknowledged, containing the residence address of the assignee, shall be delivered either personally or by certified mail to Seller and receipt therefor obtained. Purchaser's liability hereunder shall not be released or affected in any way by delivery of such assignment, or by Seller's endorsement of receipt or acceptance thereon.

Possession

(f) That Purchaser shall have the right to possession of the land from and after the date hereof, unless otherwise herein provided, and be entitled to retain possession thereof only so long as there is no default on his part in carrying out the terms and conditions hereof. If the land is vacant or unimproved, Purchaser shall be deemed to be in constructive possession only, which possessory right shall cease and terminate after service of a notice of forfeiture of this contract. Erection of signs by Purchaser on vacant or unimproved property shall not constitute actual possession by him.

Right
to Forfeit

(g) That should Purchaser fail to perform this contract or any part thereof, Seller immediately after such default shall have the right to declare this contract forfeited and void, and retain whatever may have been paid hereon, and all improvements that may have been made upon the land, together with additions and accretions thereto, and consider and treat Purchaser as his tenant holding over without permission and may take immediate possession of the land, and Purchaser and each and every other occupant remove and put out. A proper notice of forfeiture, giving Purchaser at least fifteen (15) days to pay any moneys required to be paid hereunder or to cure other material breaches of this contract, shall be served on Purchaser, as provided by statute, prior to institution of any proceedings to recover possession of the land.

Acceleration
Clause

(h) That if proceedings are taken to enforce this contract by equitable action, after Purchaser shall have been in default for a period of forty-five (45) days or more, the entire amount owing hereon shall be due and payable forthwith, anything herein contained to the contrary notwithstanding.

(i) That time shall be deemed to be of the essence of this contract.

Notice to
Purchaser

(j) That any declarations, notices or papers necessary or proper to terminate, accelerate or enforce this contract shall be conclusively presumed to have been served upon Purchaser if such instrument was enclosed in an envelope with first-class postage fully prepaid, addressed to Purchaser at the address set forth in the heading of this contract or at the latest other address which may have been specified by Purchaser and receipted for in writing by Seller, and such envelope was deposited in the United States government mail.

Clauses

(l) The Purchasers presently rent said properties, and no further rental shall be due for 2014.

(m) The Sellers have contracted with Dennis Good, a registered forester, to market the timber on the properties. Dennis Good is to receive 12% of the first \$10,000.00 and 10% of the remaining proceeds from the sale of logs. The parties will split the net proceeds 50% to Sellers and 50% to the Purchasers. The Purchasers' 50% shall be applied to the principal balance on this Land Contract.

(n) All mineral rights in and to said properties are being transferred to Purchasers.

(o) The Sellers are retaining two (2) 3.75-acre lots connected with one of the parcels described herein. The Purchasers will continue farming these parcels in accordance with the rental arrangements presently existing between the parties.
