

Memo

To: Bryan Myrkle, Community Development
From: Amy E. Gilson, P.E., Director of Public Works
Date: February 27, 2020
Re: Charlotte Cabinets Expansion

We have reviewed the above referenced site plan as it relates to our standards and codes, and offer the following comments:

There are no utilities shown yet on the plans. Please contact this office to get the requirements if new utilities are required.

It appears that the drainage is directed onto the neighboring property. That will be an issue.

Sewer and water equity fees will be required prior to construction.
