To whom it may concern,

My name is Andrew Barna and I am writing this letter to show my interest in the District 1 City Council Position for the City of Charlotte. I have lived in Charlotte for over a year and when I heard there was a position open, I knew I wanted to serve. For the past 7 years, I have been a teacher and during this time I have been involved with my community. Whether taking time for swim or being the Quiz Bowl Coach, I have always taken time to serve and help make my communities a better place and I know I can do the same civic function on the city council. I look forward to pushing for improving our city roads and sewer systems and consolidating our trash service to one timely trash removal server. Overall, I am a very motivated and civic minded individual and I know I can serve my community well. Thanks for your time and consideration.

Sincerely,

Andrew Barna
