

Honorable Mayor and Council of Charlotte  
111 E. Lawrence Ave.  
Charlotte, MI 48813

My name is Nate VanStee and I am a relatively new citizen to Charlotte looking to get involved in our local politics. I have served in leadership roles throughout the student organizations I have been a part of and would love the opportunity to serve this community.

I graduated from Olivet College in 2018 and while I was there served many roles. I was a member of Alpha Lambda Epsilon from spring of 2015 through spring of 2018. During my tenure I held the position of treasurer for two terms, president for three terms, house manager for one term, and senior leadership in regards to new member entrance for two terms. I was also the SGA Council greek representative for one term. I moved to Charlotte after graduation and have been here since.

My plans as a council member are

- Introduce new local community communication strategies to increase traffic to our downtown and the businesses within.
- Coordinate with local businesses and organizations to plan events to increase participation and appeal to our growing younger population.
- Research and introduce a single service trash service to reduce citizen's payments.

I moved to Charlotte because I believe in this community. together we have an opportunity to make this community even better than it was yesterday, and keep making it better everyday. We have a very vibrant population that we don't often see outside of their homes, but I believe that we can get them out and into the community to enjoy our amazing city and help our local businesses.

I sincerely hope you will consider me for an appointment. I am excited to contribute to our city's future growth.

Nathaniel J. VanStee
