

MEMORANDUM

TO: Charlotte City Council

FROM: Thomas M. Hitch, City Attorney

RE: **CITY ATTORNEY REPORT**

DATE: February 11, 2021

---

The following is my report to the City Council on issues in which our office has been engaged since the last Council meeting:

**1. Extension of water main along Lansing Road.** I have been contacted by Amy Gilson, Director of the Department of Public Works, about contact made by the owners of 1761 Lansing Road. They would like to have water extended to their property. There may be interest from the mobile home park and another business in that area.

I will be working with Ms. Gilson regarding development for an agreement for the project and making sure that all of the engineering requirements of the City are met. I will keep the Council advised.

**2. Contacts with the City Manager** I continue to have contacts with the City Manager regarding various matters ongoing in the City. The Mayor has also request that I be in attendance for the meeting this coming Tuesday night.
