Re: Code Enforcement Ad-Hoc Committee

On the agenda for Council's consideration is a resolution to extend the assignment for the ad-hoc code enforcement committee to review the language of Chapter 52 – Property Maintenance and Nuisance Abatement to make recommendations to Council on amendments. Any language updates will also need to be reviewed by Attorney Hitch to ensure they are not in conflict with other legal requirements. I have suggested a final recommendation to Council by the first meeting in September which will give the committee three months to review the language, consider updates, and draft the written recommendation.

A resolution of approval of this continuation and updated assignment is included for your review and consideration.
