

## **§ 82-462 EXTERIOR LIGHTING.**

(A) All outdoor lighting in all use districts used to light the general area of a specific site shall be shielded to reduce glare and shall be so arranged as to reflect lights away from all adjacent residential districts or adjacent residences.

(B) All outdoor lighting in all use districts shall be directed toward and confined to the ground areas of lawns or parking lots.

(C) All lighting in nonresidential districts used for the external illumination of buildings, so as to feature the buildings, shall be placed and shielded so as not to interfere with the vision of persons on adjacent highways or adjacent property.

(D) Illumination of signs shall be directed or shaded downward so as not to interfere with vision of persons on the adjacent highways or adjacent property.

(E) All illumination of signs and any other outdoor feature shall not be of a flashing type. Artificial light shall be maintained constant in intensity and color at all times when in use.
